Vendor Set-Up Instructions

Set-up begins 1 and ½ hours prior to start of event (8:30 a.m.). We ask that your booth be fully set up before start of event.

Upon arrival, one of our staff members will confirm your arrival, and show you your space. After being directed to your space, you will be able to unload your vehicle, which must then be moved to the vendor designated parking area spot before you can continue to set up your booth. If you are alone and need help unloading, a staff member will be able to assist you.

Our events would not be nearly as successful if it wasn't for our amazing vendors. Thank you for contributing to the success of The Barn Door.

Thank you all for participating
